

F60 Företagspark

A COMPLETELY NEW BUSINESS PARK

4
MINUTES
from the airport
terminals

Midway between Sweden's fastest-growing regions, Stockholm and Uppsala. A stone's throw from Arlanda and just round the corner from the rest of the world. Märsta station and public transport within easy reach. F60 Företagspark has an ideal location in Explore Arlandastad!

F60 Företagspark will be nothing like a traditional industrial estate! The design is meticulous – this is where companies and people prosper! Green spaces, certified green buildings, and easily accessible, space-efficient premises.

Best of all, it's happening right here, right now. Construction is already underway, and we will soon be welcoming a hundred businesses and thousands of employees. Let's develop premises customised to your need. Welcome to F60 Företagspark!

VIDEO CAN (SOMETIMES) SAY MORE THAN A THOUSAND WORDS.

Motorway or forest.
Share a building or something separate.
Close to the airport and logistics hub.

for F60 Företagspark

LOCATION?

Optimal for vehicle companies.
Unbeatable for airport service companies.
The best for businesses reliant on exports,
deliveries, and infrastructure.

*F60 Företagspark – Convenient
location, seamless logistics*

THE PREMISES?

For businesses that know what they want.
For businesses that value function and flexibility.
For businesses that want safe and welcoming
surroundings.
